

**Title:** Solitaire TriPeaks  
**Genre:** Card  
**Platforms:** iOS, Android, Amazon  
**Publisher:** Game Show Network  
**Developer:** GSN Games, Casino Studio

**Solitaire TriPeaks** reimagines the possibilities of the classic card game Tri Peaks. Players set out on a single-player, saga-style adventure through hundreds of unique, beachfront levels filled with challenging Tri Peaks gameplay. Available for free on iOS and Android worldwide, Solitaire TriPeaks whisks players away to paradise with easy-to-learn mechanics, breathtaking graphics and thrilling twists.

## Key Features

### Saga-style adventure

Advance through more than 600 vibrant levels across the TriPeaks archipelago. Tiki and his pup Poi guide players through their journey and celebrate each win!

### High-quality graphics

Built in Unity by the acclaimed creators of Cordy and Sleepy Jack, players are whisked away to lush, 3-D environments.

### Big rewards

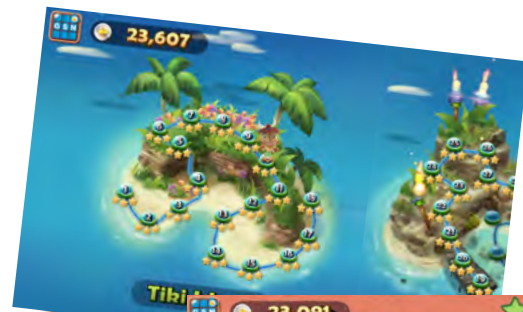

Earn bonuses for streaks and speedy wins, plus get big rewards for landing on the Leaderboard in weekly tournaments.

### Power-ups

Trigger boosters and uncover hidden cards like the Golden Tiki Mask and Flower Blossom to blast through challenging levels.

### Share with friends

Ask friends for Coins to keep the gameplay going or track their progress on the island map and Leaderboard.
